**Chairman,**  
**Importers and Exporters Association of Taipei**

Chairman Huang,

I am pleased to inform that by the beginning of next month, there will be two big exhibitions that will be held in Indonesia: the Indonesia Construction Technology Expo (INDOCONSTECH) and the Indonesia International Solar Power & PV Technologies Exhibition 2018 (SOLARTECH).

The INDOCONSTECH is an exhibition that focuses on road construction and highway development that will be held in the Indonesian Convention & Exhibition (ICE) Centre, BSD City – Tangerang on 2-6 May 2018. The SOLARTECH itself is an exhibition that focuses on solar power and photovoltaic technology that will be held on the Jakarta International Expo Kemayoran – Jakarta on 3-5 May 2018.

Please kindly forward the information regarding the exhibitions to your members and please notify us in case you need more information on this matter. For further information please contact:

1. Mr. Hendry Liu, from Indonesian Economic and Trade Office to Taipei (+886-2 8752 6170 Ext. <sup>625</sup>626, email: sugandihendry86@gmail.com);
2. Ms. Syeren Felisia, from Organizer of Indoconstech (Phone : +62812 8630 7089, email: syerenfelisia@gmail.com);
3. Ms. Metta Sari, from Organizer of Solartech (Phone: +62819 2841 7141, email: metta@gem-indonesia.com).

Thank you for your kind cooperation.

Sincerely,

  
Robert J. Bintaroyo  
Representative
