

## Dear Ladies and Gentlemen!

The Agency of Strategic Programs, with the support of the Marine Board of the Government of the Russian Federation, the Ministry of Transport of the Russian Federation, the Ministry of Economic Development of the Russian Federation and the Chamber of Commerce and Industry of Russia, are set to organize an international forum «Riverport Expo 2018», which will be held at the Expocentre in Moscow, between the 8<sup>th</sup> and 10<sup>th</sup> November 2018.

The development of Russia's inland waterway transport infrastructure is an important task that will help to increase the efficiency of the entire transport sector. At a recent congress of the Union of Transport Workers of Russia in March 2018, President Vladimir Putin set the development of Russian river infrastructure as a key priority. The Government of the Russian Federation has approved the *Strategy for the Development of Inland Waterway Transport Until 2030*.<sup>1</sup>

«Riverport Expo 2018» is aimed at the formation and development of the port network of the Russian Federation and acceleration of the introduction of modern technologies as part of the efficient operation of river ports.

Senior industry leaders and top management of industry corporations, commodity producer unions, investment funds and top banks, businessmen from Russia and international countries (who own modern technologies and business-processes solutions for the development of Russian river ports and waterways), will take part in this international forum and exhibition.

A forum on the *Competitive Potential of Russian Inland Waterways* will host a number of events, including panel discussions, presentations, round tables and seminars.

Participation in the international forum «Riverport Expo 2018» is an opportunity for direct dialogue with representatives of state authorities, leading domestic and foreign corporations, company managers, and key decision makers, which will help to ensure promotion of modern technologies, equipment and products to the Russian market.

We invite you to take an active part in «Riverport Expo 2018» and look forward to welcoming you at the event!

You can familiarize with terms of participation at [www.riverportexpo.ru](http://www.riverportexpo.ru) or by contacting the project manager on +7 (499) 322 94 02.

Organizers: Ltd. Agency of Strategic Programs and Petroline GmbH.

<sup>1</sup> By order No. 327-r, of the Government of the Russian Federation, dated February 29 2016

Riverport Expo

2018

## International Forum «Riverport Expo 2018»

**Date:** 8-10 November 2018

**Venue:** Expocentre, Pavilion № 3, 14 Krasnopresnenskaya nab., Moscow, Russia

«Riverport Expo 2018», an international forum and exhibition, is devoted to the development of inland water transport across the Russian Federation. Under the order of the Government of February 29, 2016 №327-R, a *Strategy for the Development of Inland Waterway Transport Through To 2030* was developed and outlined. In accordance with the program, approximately 70 billion rubles are planned to be allocated for the development of inland water transportation in 2016-2018 and 76 billion rubles in the period 2019-2020.

### Exhibition topics:

- Technology for the processing of goods
- Cargo storage technologies
- Container equipment
- Technologies and infrastructure for yacht tourism
- Technology to ensure passenger, port personnel and ship crew comfort
- Application of modern banking technologies
- Insurance technologies
- River port infrastructure facilities
- Green port technology

The forum, titled *Competitive Potential of Inland Waterways of Russia*, will host an exciting range of business events and programmes, including plenary session, panel discussions, presentations and round tables with participation from key representatives of federal authorities, commodity producer unions and industry associations, leading domestic and foreign corporations and river port managers.

### Exhibitors:

- Logistics companies
- Manufacturers of ships and yachts
- Foreign and Russian companies
