

We represent the Official Murcia Regional Development Agency "INFO". From the Taiwan Office I manage, and in cooperation with the Regional Development Agency in Spain, one of our goals is to promote the export activity of our Region, organising different activities which let our products being present in markets abroad.

In this occasion, due to offers received from the most important companies located in Murcia, in the southeast of Spain, we are planning a visit to our Region for Taiwan's well known specialised importers in the field of organics foods.

Our aim is to introduce you some companies which are already presents in several countries all over the world, and especially in the European market.

First of all, let me inform you briefly about the mentioned products of our Region in order you can consider your interest and your availability about the proposal we offer you.

The organic crop in the Region of Murcia it has been a great tradition in the production of fruits, vegetables, rice, grapes, almonds and cereals. These practices were implemented in some plots of land in the 70s. The fabulous climate that we enjoy and the quality of our soil, along with our farmers know how, make our area an ideal place for the practice of Organic Farming.

Our proposal is to invite you to discover the variety of the products that our Region produces by visiting and having testing with the company's directors. It will be an opportunity to taste the quality of our products and know all about the production process.

Please find attached to this mail a list of exhibitors that will participate in this event. If you are interested to know any of this exhibitors, having meetings whit the companies' directors and visit their factories to know the products and manufacturing process, **we will glad to offer you an invitation what include free round trip airline tickets in tourist class; daily transfers from hotel to companies, and prearranged lunches, dinners, and planned visits.** It will take place in Murcia, Spain during the month of December 10 - 13, 2018.

Please fill the Registration Form, and send us back together with your Company Profile, and passport copy for airline tickets purpose. After that the Regional Agency of Murcia, Spain will send you an Official Invitation and additional useful information.

***** Please be informed that this invitation are limited to 7 companies, and we already receive the confirmation of 4 companies.**

We will remain at your disposal for any further information you may need.

Best Regards,

J. García
Director
