

POLISH - TAIWANESE
CHAMBER OF INDUSTRY AND COMMERCE

Warsaw, 12 May 2026 r.

Mr. Huang Chiao-Chang

Chairman

**The Importers and Exporters Association
of Taipei, IEAT**

On behalf of the Polish-Taiwanese Chamber of Industry and Commerce, I would like to sincerely congratulate you and the entire IEAT team on your 80th anniversary.

This is a truly remarkable milestone, reflecting not only a long and successful history, but also your ongoing dedication to supporting international trade, strengthening economic cooperation, and serving the business communities all around the world.

Since signing our Memorandum of Understanding in July, we have greatly valued our cooperation and the growing connection between our organizations.

It was a real privilege to visit IEAT last week and to meet with the Board of Directors. The discussion was very productive and gave us a strong sense of shared direction and many promising opportunities ahead.

We are especially pleased that this anniversary comes at such a meaningful moment for our cooperation. It feels like a natural starting point for a closer partnership. We are now actively preparing a joint event in September in Taipei, including an industry seminar with Polish companies and IEAT member companies, as discussed during our meeting. We truly believe this will be a valuable step in bringing our business communities even closer together.

We are also honored to have been invited to contribute to your anniversary celebration, and it is our pleasure to prepare a short video message for this special occasion.

Once again, congratulations on this important anniversary. We very much look forward to continuing our cooperation and building many successful initiatives together in the years ahead.

Warm regards,

Agnieszka Sygitowicz

President
