# Full Organic Traceability

WE WORK FROM THE FIELDS TO THE END CUSTOMER

我们从现场到最终客户的工作

We have our own crops and we work with 1440 farmers in the Andes of Peru.

Our agronomists in the fields advise and supervise organic production all year

We transport the raw material directly to the processing plant

All products are processed in our own factory, with the highest quality controls.

Finished products are transported directly to the port of Callao - Peru

We export to more than 37 countries around the world.

- Ayacucho
- Huancavelica
- Junín
- Apurímac

# Certifications:

PE-BIO-154  
Non-EU Agriculture

# Quinoa - 藜麦

High protein content, minerals (calcium, iron and magnesium). Rich in amino acids.

WHITE QUINOA
