**INVITATION LETTER TO COOPERATION**

Dear Sir/Madam,

First of all, the Board of Directors of Dai Viet Lotus Foods JSC would like to send greetings, wishes for health and success to our partners.

We are pleased to introduce to you Dai Viet Lotus, a leading food company specialized in production and trading of lotus-based products in Vietnam. Backed by a modern factory that meets ISO 22000:2018 and HACCP standards.

Dai Viet Lotus provides nutritional products from lotus plants such as lotus seeds (fresh, frozen, dried, snacks and canned), lotus roots (fresh, frozen and snacks), lotus tea (heart, leaf and flower tea).

Driven by our motto of action “The Customers’ benefits is the goal of Dai Viet Lotus’s development”, we commit to bringing the cleanest, most delicious and best products to both domestic and international customers. We devote relentless efforts into improving our products, enhancing the production competency toward a self-sufficient model. This lays the ground for our competitive price strategy and post-sale care policy in order to ensure generous benefits for partners.

In order to maintain a stable source of lotus all year round, Dai Viet Lotus has planned lotus fields in Dong Thap with a total area of nearly 100 hectares to ensure the supply of raw materials at stable prices all year round.

With the desire to cooperate for mutual development, Dai Viet Lotus believes in this long-term and successful cooperation with our partners. We look forward to cooperating with strategic partners from supermarket channels, convenience stores, B2B customers and Horeca distributors in Taiwan.

Best regards,

Nguyen Xuan Thang - Director
