

The General Data Protection Regulation (GDPR) as a modern data protection law – exchange of views between France and Taiwan

Venue	Online seminar Link will be shared
Time	15 th of June 10am-12pm French time 4pm-6pm Taiwan time
Organizer	French Office in Taipei National Development Council, Taiwan ROC
Language	English

SUMMARY

The General Data Protection Regulation (GDPR) has taken effect in 2018. Many countries around the world have been closely observing the development, implementation and effect of this modern data protection law. France and Taiwan have come together to exchange views regarding this modern legal framework for data protection, and the commonalities between our two legal systems, with a view to share experiences and learn from each other.
