

KING BATHROOM STOOLS

FIXED OR HEIGHT ADJUSTABLE

The Bathroom Stool range was designed to increase comfort, safety, and independence while washing and during bathroom use. Primarily, the stool assists the elderly or people with reduced mobility. The seat with drainage hole is made of premium quality plastic, it fits snugly into corner spaces and is stable even on rough floor surfaces. The stools are available in various shapes, with fixed or height-adjustable legs, making them suitable for a wider range of users with different needs. The version provided with a rotating disc increases the freedom of movement and facilitates the rotation on the stool decreasing skin friction. Rotating Disc, as an accessory, is also suitable for all shapes of stools. The stools are available in white or black. A soft cushion accessory is available in light blue or light grey to enhance comfort. to enhance comfort.

KING Stools are the perfect solution for everyone who wants to enjoy any activity in the bathroom safely. 1 (next page)

KING BATHROOM STOOLS WITH TRAY

HEIGHT ADJUSTABLE

The Bathroom Stool with Tray range was designed to increase comfort, safety, and independence while washing and during bathroom use. Primarily, the stool assists the elderly or people with reduced mobility. The seat with drainage hole is made of premium quality plastic, it fits snugly into corner spaces and is stable even on rough floor surfaces. The stools are available in various shapes, with fixed or height-adjustable legs, making them suitable for a wider range of users with different needs. In addition to its core features, this bathroom stool comes with a tray that makes it even more useful and stable. This added benefit is a practical surface for placing toiletries or other essentials within easy reach during bathroom activities. The version provided with a rotating disc increases the freedom of movement and facilitates the rotation on the stool decreasing skin friction. Rotating Disc, as an accessory, is also suitable for all shapes of stools. The stools are available in white or black. A soft cushion accessory is available in light blue or light grey to enhance comfort. KING Stools are the perfect solution for everyone who wants to enjoy any activity in the bathroom safely. 1 (next page)
