San Esteban, Los Andes, Chile

**Best
quality
Raisins for
the World**

Anjari Exportadora is a Chilean family own company, property of Mr. Rene Anjari, one of the oldest raisin driers in Chile; Founded in 1992.

Anjari is a raisin exporter located in San Esteban, one of the main productive fruit areas in Chile, and was established in 2004. San Esteban is located 60kms north of Santiago. We are proud to export our products all over the world (South and North America, Europe, Oceania and Asia).

Process Plant San Esteban

**We export
8.000 mt
per year.**

The raisins produced by Anjari come from clean and healthy fresh table grapes. The fruit has been harvested under international quality standards and according to worldwide requirements for chemical or pesticide residues and food safety.
