### OPEN LETTER

#### Dear valued partners and customers

First of all, VIFOTEC Joint Stock Company would like to send respectful greetings to customers and sincerely thank you for taking the time to pay attention to our company's products.

Authorized by the Nutrition and Food Safety Institute (NFSI), Vifotec deploys VfSC software application for units, organizations and individuals participating in the Vietnam Food Safety Chain (VfSC) with hundreds of participants that meet food hygiene and safety standards according to VietGAP standards; AseanGAP; GlobalG.A.P; ASC.

VIFOTEC JSC. is one of the largest and most prestigious agricultural production and trading enterprises in Vietnam with a scale of more than 100 farm chains across Vietnam. The company has constantly affirmed its brand position in the market and customers' trust with hundreds of domestic and foreign customers. Currently, the company's products have been exported to the following territories: Asia, Europe, America... with a wide distribution system distribution Vietnam.

With the vision: Together to build a responsible agriculture, bring fresh food to domestic and international consumers, we respectfully send this letter to valued customers with the desire to provide our products into the Taiwan market.

All of our agricultural products are applied VfSC software, information is recorded in form of an electronic diary, transparent information - production process throughout the farming process, this is fully displayed by product traceability Qr code. The highlight of VfSC is to help the importers know the production process, expected output, and detailed product information, so that they do not have to worry about disrupting the supply of products in the future.

The negotiation process of VIFOTEC Joint Stock Company includes: Receiving information about customers' needs - Unifying product quality standards and negotiating on the basis of ensuring bilateral benefits - Signing contracts.

Customers wishing to cooperate or want to know more details about our products, please refer to our attached Profile and Product Catalogue.

We are pleased to cooperate and look forward to the attention and support of valued customers.

Yours sincerely./.
