Interest shall be due on overdue amounts from the due date until paid at an interest rate of 1.5% per month or, if less, the maximum rate permitted by law. The Company reserves the right, at any time and from time to time, to revoke any credit extended to Client. Client shall reimburse the Company for any costs it incurs in collecting past due amounts, including court costs and fees and expenses of attorneys and collection agencies.

6. Client shall provide, or cause Client's suppliers and contractors to provide, on a timely basis, to the Company all documents and information necessary to enable the Company to properly perform its services.

9. Client understands and agrees that the Company is neither an insurer nor a guarantor, that the Company, by providing the services, does not take the place of Client or any third party including designers, manufacturers, agents, buyers, distributors or transportation or shipping companies, and that the Company disclaims all liability in such capacities. If and to the extent that Client releases any third party from its liabilities, obligations and duties with respect to the tested goods, Client will assume and undertake as its own such liabilities, obligations and duties. Client waives any and all such claims including, without limitation, claims that the Report is inaccurate, incomplete or misleading or that additional or different testing is required, unless and then only to the extent that Client submits a written claim to the Company within both such time periods.
